## FREQUENTLY ASKED QUESTIONS

*Question:* How many items should I buy?

*Answer:* Depends on how much time you have to wash and how big your washer is!

Most people are fine with 1 sweater/jacket, 5 polo shirts, and 5 bottoms (pants/skirts/jumpers). One mother chose to buy 8 polo shirts. This allowed her to wash every other week if she was in a bind. All a personal choice! You may choose to buy short sleeve or long sleeve polo shirts for the school year seasonality. Another option is to buy only short sleeve shirts and layer a white or navy long sleeve t-shirt (or turtleneck) under the polo shirt.

*Question:* What items must be purchased through Lands' End, and what may be purchased elsewhere?

*Answer:* That is all personal choice. Lands' End options will have the school-approved logo and Lands' End guarantee. The Lands' End option may be less expensive over time related to quality and their unconditional guarantee.

*Question:* Can I purchase school-approved polos from Children's Place or other local retailers and have them embroidered?

*Answer:* Yes and we ask that your retailers that have the same colors as Lands' End. Please use the school-approved vendor for embroidery as the setup fee has already been paid.
